Committee to Restore Carbondale City Hall

DATE: December 19, 1981

Thank you for having arranged to have the church bells ring and the Hendrick horn sound on the 17th at 7:05 P.M. I am convinced that we will succeed in accomplishing our objectives with regard to Carbondale City Hall.

Enclosed are copies of six letters that I wrote today on behalf of the Committee to Restore Carbondale City Hall.

Did the bell in the Methodist Church ring? Did I thank the right person at Hendrick Manufacturing Company?

I look forward to seeing you at the next meeting of the Committee, which, I believe, will be on January 7th.
